Ayers Dairy had been an Advantage Partner since 2007. This herd of 700 cows has an exceptional Reproduction Performance. They can boast of a 51% Conception Rate on first lactation cows and a 48% Conception Rate overall! The Preg Rate at Ayers Dairy is also outstanding at 32% for first lactation and 29% overall. Jesse Ayers, the herdsman, does a remarkable job with cow comfort and herd health which contributes to a very low calf mortality rate of only 4% and only 4 DA's for the last 12 months. A recent classification went so smoothly that Holstein Classifier Steve Christman commented that he wished we had "200 head to classify at this dairy"! A true partner herd that Alta is proud to have!
